Dear Honorable Judge Jensen,

Thank you for having Raymond Chow speak to our class. He really put a reality check to my life. His history is one that no one should live because of all the mischief and death involved with organized crime. It is necessary for Raymond to continue speaking to the youth so that he can change the lives of those who have potential of going in a bad direction. Mr. Chow may have a lot of controversy but he needs to have the protection so that he may continue to change lives. This is not only for education but for his safety as well. There are more areas to which he can educate the youth such as Marin County, the East Bay, and as well as Southern California. Thanks again for your kindness of allowing him to speak to us.

Sincerely,
